# ***Foreword***

As seconds become minutes, the minutes, hours, and hours become days — we are constantly reminded of the passing of time.

*Relentless time is never in retreat.  
With sharp precision, measured moments run  
In silent pageantry around the sun,  
Unnoticed till a cycle is complete.  
Illusive days are quickly shelved in neat,  
Plain rows, red lettered when a task is done  
We would remember; and another one  
Is check-marked where a memory was sweet.*

The 1950 Scroll staff presents this annual publication, with the accompanying scriptural prayer — “so teach us to number our DAYS.”

## Snack Shop

A most welcome addition to the school life in general and the eating habits in particular was the opening of the Snack Shop. Occupying one end of the cafeteria, it provided students and faculty alike with sodas, milk shakes, sundaes, salads and sandwiches. The Snack Shop was in charge of Evelyn Sterns. Earl Evenson, Herbert McKonkey, Kenneth Pace, Mary Hatch and Doreen Sieler were among those who mixed up the various concoctions offered on the menu.

## Everyday Life

It's later than you think, Shirley! . . . Lamp lighters? . . .  
A study in prospectives.

"Ah, sweet misery of life, at last you've found me," croons Wayne.  
. . . Executively yours, Mr. Hartill. . . We are from Saucer 451.  
Doris barrowed it. . . "Say, isn't it drafty here?" . . .

## *Faculty Party*

All work and no play makes Jack a dull boy. No less could be said concerning that august body known as the faculty of Northwestern Schools. Mr. and Mrs. Elmer Johnson entertained the faculty in the first social event of the school year at the home on the Mississippi River. Throughout the year the faculty enjoyed many times of fellowship together. The Dames Club, consisting of women faculty members and wives of men faculty members was organized during the year for times of social enjoyment among the women of Northwestern's family.

## *Faculty Party*

The social committee of the faculty was very active during the year. Besides the usual minor social functions, perhaps the highlight of the faculty year was the annual progressive dinner held on June 9th. Hosts and hostesses included Mrs. W. B. Riley, Mr. and Mrs. George Wilson, and Mr. and Mrs. William Berntsen. The Women's Fellowship of the Northwestern Schools entertained board members' wives at a dessert dinner at the home of Mrs. George Wilson on the evening of June 13th.

## *Registration*

Studious looking students—Intent upon registering for classes, arranging schedules, and generally becoming oriented.

Mr. Beaven makes a last minute check on schedules.

At least it's over but the shouting—meaning the treasurer's office is represented as the last hurdle to be surmounted.

## Registration

Mr. Paul Kaufman assists a student in filling out his schedule. Is Greek included?

Busy little bees—the gymnasium was fairly humming as faculty counsellors assisted the students in scheduling classes.

Which is the student? Mr. George Makas seems intent upon seeing that Marilyn Erickson fills in the correct spaces.

## *Day By Day*

*Looking upward every day,  
Sunshine on our faces,  
Pressing onward every day  
Toward the heavenly places.  
Growing every day in awe,  
For thy name is holy;  
Learning every day to love  
With a love more lowly.*

*Walking every day more close  
To our elder Brother;  
Growing every day more true  
Unto one another;  
Every day more gratefully  
Kindnesses receiving,  
Every day more readily  
Injuries forgiving.*

*Leaving every day behind  
Something which might hinder;  
Running swifter every day,  
Growing purer, kinder—  
Lord, so pray we every day;  
Hear us in thy pity,  
That we enter in at last  
To the holy city.*

Mary Butler

# October

*"O satisfy us early with thy mercy; that we may rejoice  
and be glad all our days."*

Psalm 90:14

## *Student Forum*

This sagacious group is entrusted with the affairs of student government at Northwestern and is dedicated to the promoting of social life and spiritual welfare of the students by acting in a mediatorial capacity between faculty and student body.

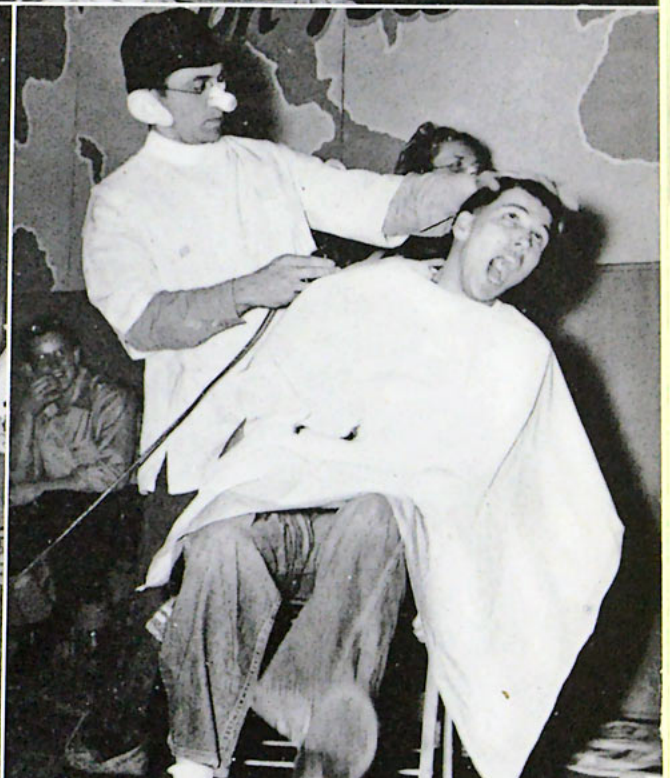

The Forum has contributed greatly to school life in the form of establishing freshman week, regulating traffic in the corridors, assisting with the Missionary Conference, providing fellowship on Friday nights, and arranging social activities.

The group consists of twelve representatives from the student body—John Anderson, Allen Fadel, Betty Hoobyar, John Hyma, Frank Moore, Jack Marshall, Ralph Neighbor, Max Kershaw, Len Robinson, Leo Skinner, Forest Williams, and Bob Lillard. Mr. Gager represents the faculty.

## Halloween Party

"And the goblin'll get you — if you don't watch out" — The Student Forum and the Choral Club play host to what passes as a Halloween party without a doubt.

## *Evening School*

The purpose of Northwestern's Evening School is to make available to men and women of the Twin Cities area a sound, Bible centered course of instruction. The various classes are designed to provide an understanding of the English Bible, to promote self study in the Word, to impart a knowledge of the secrets of victorious Christian living and to assist in the expression of that life in Christian service. As world evangelism was the purpose for which this school was founded, so it is the heart-beat of the curriculum.

The Christians of the Twin City area have responded enthusiastically, increasing the Evening School enrollment to 367. The curriculum has been expanded to include new subjects such as: Modern Science and the Bible, Applied Christian Art, Archeology's Dependence on the Bible, and Present Day Problems of the Mission Field.

The people who come to Northwestern's Evening School form a cross section of evangelical Christianity in this locality. They are housewives, business men, teachers, nurses, university and high school students, stenographers, and pastors who have dedicated their Tuesday evenings to the improvements of their talents for the service of Christ.

In addition to the basic core of Bible study instruction is offered in music, children's work, practical speech, Sunday school administration, and youth work. In four years it is possible to earn a Northwestern Evening School certificate; or the Evangelical Teachers Training certificate. Many who do not wish credit merely audit the courses.

The evening meal is provided in our new cafeteria, enabling business people to come straight from the office or place of business and enjoy the food and fellowship here.

May we invite you to enroll and share the blessings of our evening school fulfilling its motto "Knowledge on Fire."

## *Youth For Christ*

Students from Northwestern are constantly finding Youth for Christ a source of inspiration and an opportunity for service. The Youth rallies which are held in the Minneapolis Municipal Auditorium under the direction of George Wilson celebrated their sixth anniversary of March 25. Outstanding musical groups and inspirational speakers have appeared during the year. Among the unusual offerings this year were the attendance and testimonies of concerts from Dr. Graham's Los Angeles campaign: Louis Zamperine, track star, Jim Vaus, underworld associate, and Stuart Hamblen, radio star from Hollywood.

These meetings commanded audiences of between ten and twenty thousand people with hundreds professing salvation as a result of hearing the Word. Youth for Christ leaders including Dr. Robert Cook, Dr. Torrey Johnson, and Dr. William Graham have been heard. The Practical Work Department ably directed by Mr. LeRoy Gager and Mr. Donald Rosenberger has directed the personal workers, a great many of them being Northwestern students. Many musical groups from the schools, including the Crusaders quartet, the Jubilaires, the A Cappella choir and the Oratorio choir have contributed to the programs.

***Not To Be  
Ministered Unto***

*O Lord, I pray  
That for this day  
I may not swerve  
By foot or hand,  
From Thy command,  
Not to be served, but to serve.*

*This, too, I pray,  
That for this day  
No love of ease  
Nor pride prevent  
My good intent,  
Not to be pleased, but to please.*

*And if I may  
I'd have this day  
Strength from above  
To set my heart  
In heavenly art,  
Not to be loved, but to love.*

Maltbie D. Babcock

# November

*"Make us glad according to the days . . ."* Psalm 90:15

## *Homecoming and Founder's Week Conference*

In the fall of each year the Northwestern Schools welcome the alumni to the Alumni Homecoming, which is now known as the Founder's Week Conference. This year's meeting was a glorious five days of fellowship and spiritual feasting with Dr. Albert Hughes of Toronto, Canada, Mr. Thomas Rees from London, England, Dr. Torrey Johnson, and Dr. H. H. Savage leading the students and alumni into the depths of the Word of God.

Dr. Merv Rossell of Rochester, Minnesota, president of the Alumni Association, was master of ceremonies at the morning, afternoon and evening sessions. Each day overflowed with added blessing, and a spirit of revival and consecration prevailed. Dr. and Mrs. John Siemens of Minneapolis, graduates of the classes of '24 and '23, respectively, were hosts at the Alumni Tea on the first afternoon of that great week. On the second evening, in Moyer Hall Gym, was held the 36th Annual Alumni Banquet at which members of the Class of 1925 were the honored guests. Of the original thirty-three members, eleven were present.

The earliest class represented was the class of 1904, in the person of Mrs. M. Hursh of Hibbing, Minnesota. Also present was John Wylie of Wayzata, class of 1909. Alumni gathered from states near and far; Iowa, Illinois, North and South Dakota, Michigan, Wisconsin, and Minnesota were well represented.

## *Secretarial Department*

Northwestern students are seeking to serve their Lord in many vocations and occupations. The secretarial department has shown a steady, consistent increase in enrollment during the past few years. Course offerings in this field are very complete, including: Bookkeeping, Typing, Shorthand, Office Procedure, and Introduction to Business Methods. Both beginning and advanced shorthand courses are offered.

Gregg Credential Awards in both shorthand and typing are awarded each month for progress and achievement in the particular field being studied.

Northwestern's commercial students and graduates are occupying many fine positions throughout the United States. The department is under the direction of Mrs. Helen Baxter.

## *Founder's Vision*

The Northwestern Schools are a monument to the vision of one of God's choicest servants—Dr. W. B. Riley. It was he who saw the need for Christian training for Christian workers in a Bible School; it was he who—burdened over the need for a more educated ministry—established a Theological Seminary; it was he who—recognizing a move away from orthodox training—established a College of Liberal Arts.

Throughout America, foreign countries and the islands of the sea are scattered graduates of these schools who owe a debt of gratitude to Dr. W. B. Riley for his faithfulness to the voice of God in the establishment of the Northwestern Schools.

The vision of Dr. Riley became a reality when Memorial Hall was completed and classes were held in the new building beginning September, 1948. Although the founder of the Northwestern Schools did not live to see the fulfillment of his final dream, he had already envisioned it from afar off. Dr. Riley's youthful spirit was always apparent in his revealed desire to press on toward new achievements. Memorial Hall now houses administration offices, Moyer Gymnasium, classrooms and K.T.I.S. studios. New facilities are expedient with the addition of new faculty personnel, student enrollers, and expanded opportunities which become the school's obligations.

## *Life At Northwestern . . .*

A square-table discussion takes place in General Psychology class.

Not a moment is wasted at Northwestern as evening school classes are well under way.

Many bodies and hearts will be made warm this winter by clothes that are packed and shipped by members of the Foreign Missions Fellowship.

Vocal and instrumental quartets, trios, and ensembles have sprung up all over school and are out in service for their Lord.

## *... Goes On*

A very, very popular and much-visited spot—the mail box.

“What would school life be without parties and socials?” asks Earle.

Which way are you going? The halls look like Grand Central during the passing of classes.

Many students are glad for the relieving of the pocket-book stress through part-time student employment.

## *Los Angeles Campaign*

Dr. Billy Graham achieved national and international fame and the name of being America's number one evangelist as he attracted the attention of the world through the Los Angeles Revival campaign. The meetings began on September 25 and continued until November 20. Pictured above are some of the outstanding converts from this campaign.

Other outstanding meetings conducted by Dr. Graham and his party included the Boston campaign which began there on New Years' eve and continued until January 14 followed by the Columbia, South Carolina series of meetings beginning on February 19 and continuing until March 12. In this latter series of meetings, organist was Northwestern's own Professor William Berntsen with KTIS Radio Pastor, George L. Edstrom, assisting with the follow-up meetings. America's largest religious gathering was held on Boston Common April 23 when Doctor Graham spoke to an audience of 50,000. Radio station KTIS carried the broadcast of the meeting by direct wire from Boston. Mr. Gerald Beavan assisted during this series of meetings as press representative.

Pictured above are Mrs. William Graham, Cliff Barrows and Mrs. Barrows. Mr. and Mrs. Barrows are musical members of the Billy Graham evangelistic party.

## *Forensics*

Forensics expanded in 1949-50 to include many new activities. Chief among them were the dramatic and oral interpretation programs. Both cast and student body will long remember "The Rock" for its effective presentation of gospel truth. Junior recitals headlined the interpretation programs presented by both faculty and students. The Christmas pageant at Youth for Christ, "Twas the Night Before Christmas" with Dean Hartill and other programs throughout the year offered speech training as well as student entertainment. "St. Elmo," a three-act play, climaxed the year in this department with a beautiful story centered around a Christian life.

## *Debate*

Last year's debate program of four major tournaments grew to include six this year. Four debaters started the year with a trip to Wheaton and Bloomington, Illinois. Between semesters, eight debaters travelled to Moorhead State Teacher's College and came home with the best record made to that time by Northwestern debaters. This year's debate question was one of great importance: "Resolved that the U. S. should nationalize the basic non-agricultural industries." The whole squad participated in the Eau Claire State Teacher's College Tournament and the University of Minnesota Tournament with four debaters visiting the University of Wisconsin and the Northwest Tournament at St. Thomas College. Debaters also engaged in oratory and extemporaneous speaking competition as well as several rounds of discussion.

## Boy's Basketball

With the fast-breaks of Anderson, rebounds of Cook, and those "swishers" of Orve "Lefty" Johnson, there was always some excitement to be found at a basketball game. The cheers in Moyer Gym verified that.

This was one of the many groups representing Northwestern Schools in sports. Playing a schedule with teams from junior colleges, Minnesota College Conference reserves and freshmen, and some varsity teams of good college caliber, the "Eagles" found themselves in some fast competition. In spite of the competition the boys continually worked for victories. What they lacked in scoring they made up for in determination and persistency.

Among the teams played was North Park College of Chicago. This and the trip to Mayville, North Dakota, were probably the "high spots" of the season. Other teams played were Concordia Junior College, St. Cloud Teachers College, Mankato Teachers College, Rochester Junior College, Macalester, Gustavus Adolphus, and the University of Minnesota Agricultural School.

BACK ROW—Orville Johnson, Robert Lehn, Vernon Hintermeyer, Ralph Anderson, James Cook.  
MIDDLE ROW—Oswald Morley, Lynn Holm, Richard Manning, Floyd Habich.  
FRONT ROW—Clayton Pyche, Donald Alden, Marvin Zwickey, Ted McClintic, Wayne Smith.

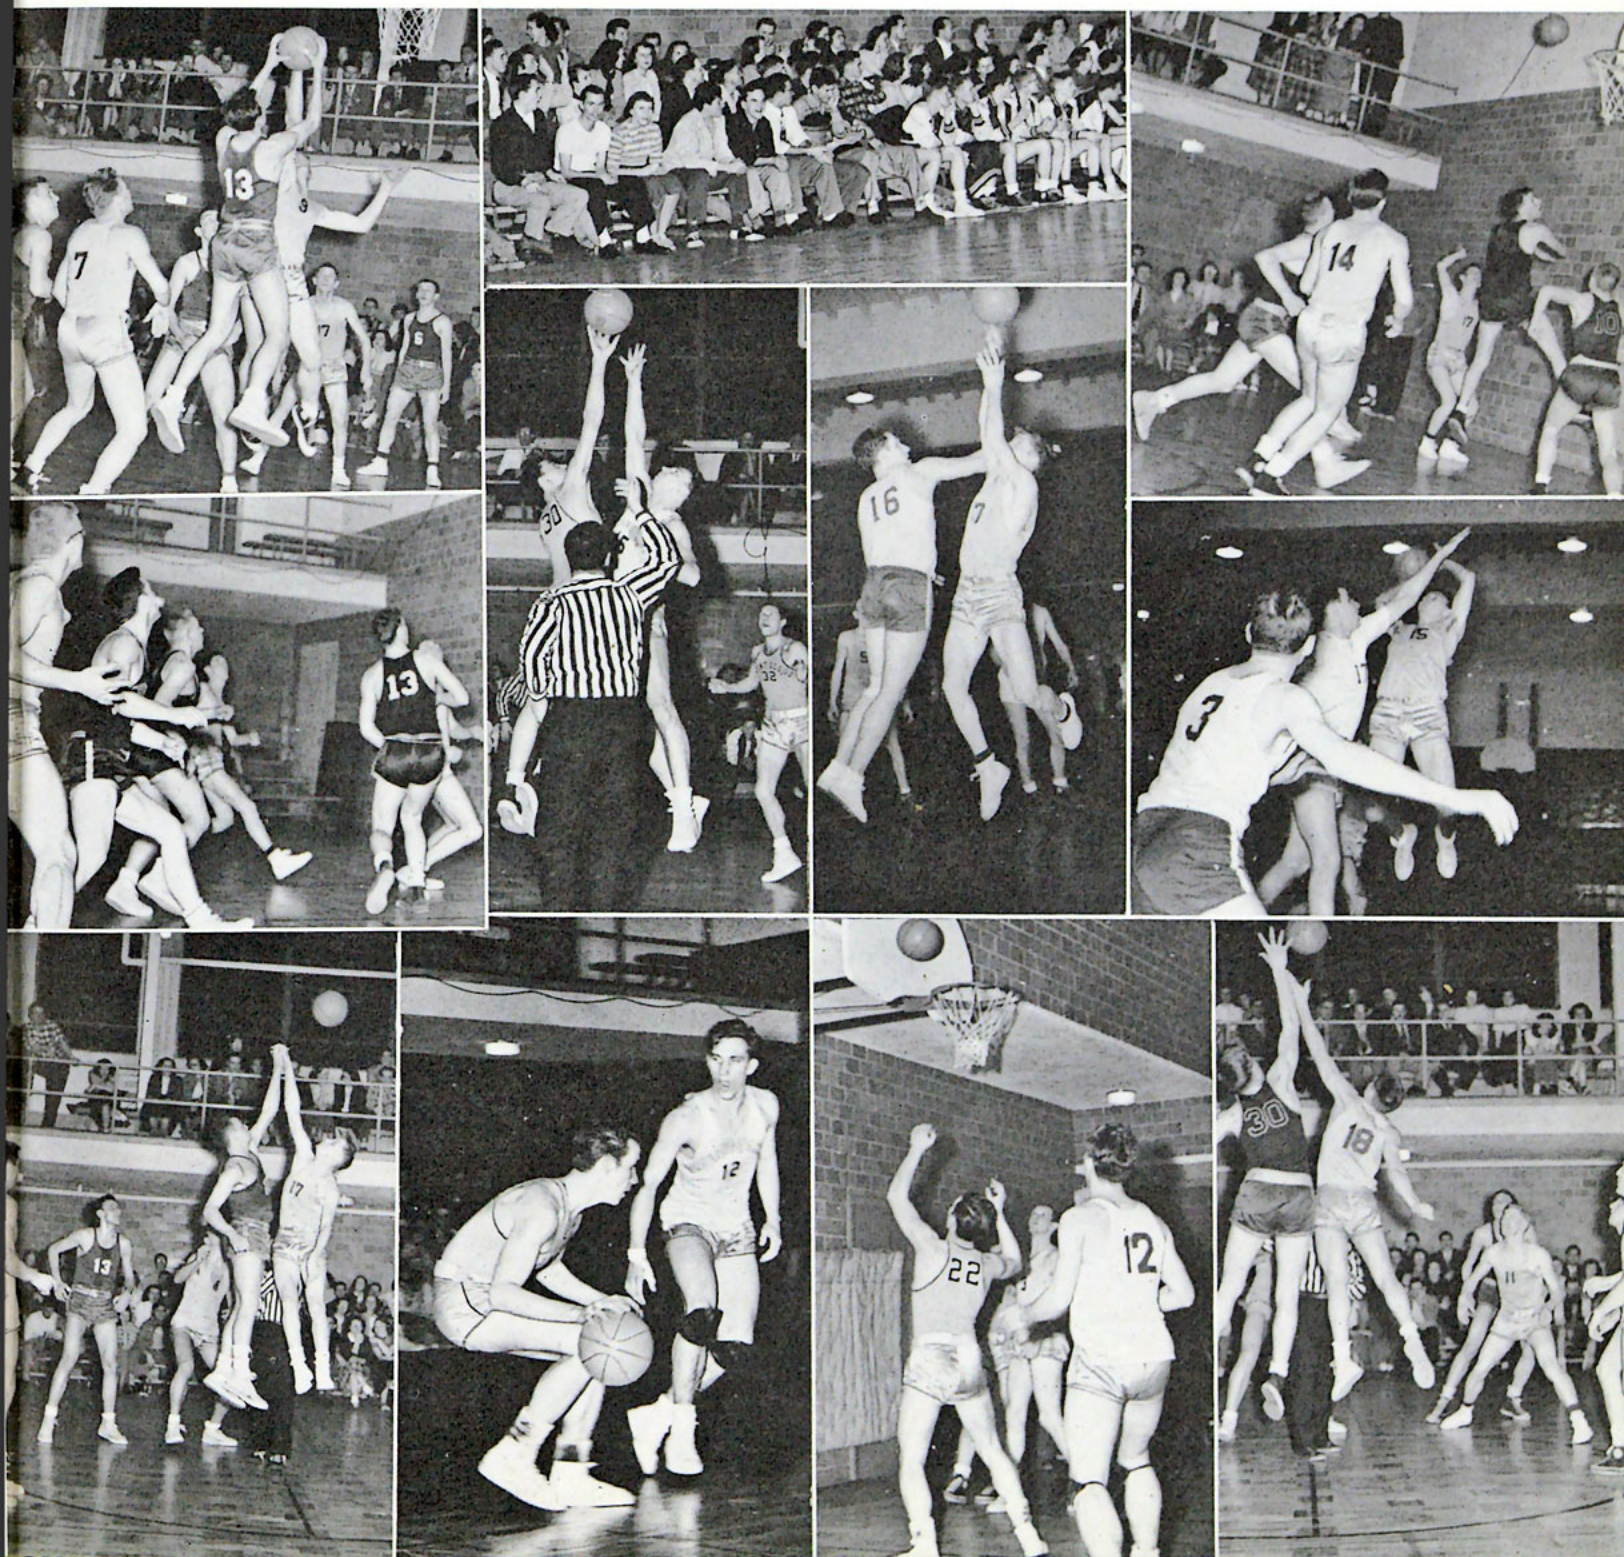

## *In Action*

Because the EAGLES work at winning and also at playing a clean, fair game, sports activities never fail to provide a thrill to those fan students who attend regularly.

In the game, on the bench, or in the stands, all are united by a loyalty to Northwestern and its central theme, Christ.

## *The Bells On Christmas Day*

*I heard the bells on Christmas Day  
Their old, familiar carols play,  
And wild and sweet  
The words repeat  
Of peace on earth, good will to men!*

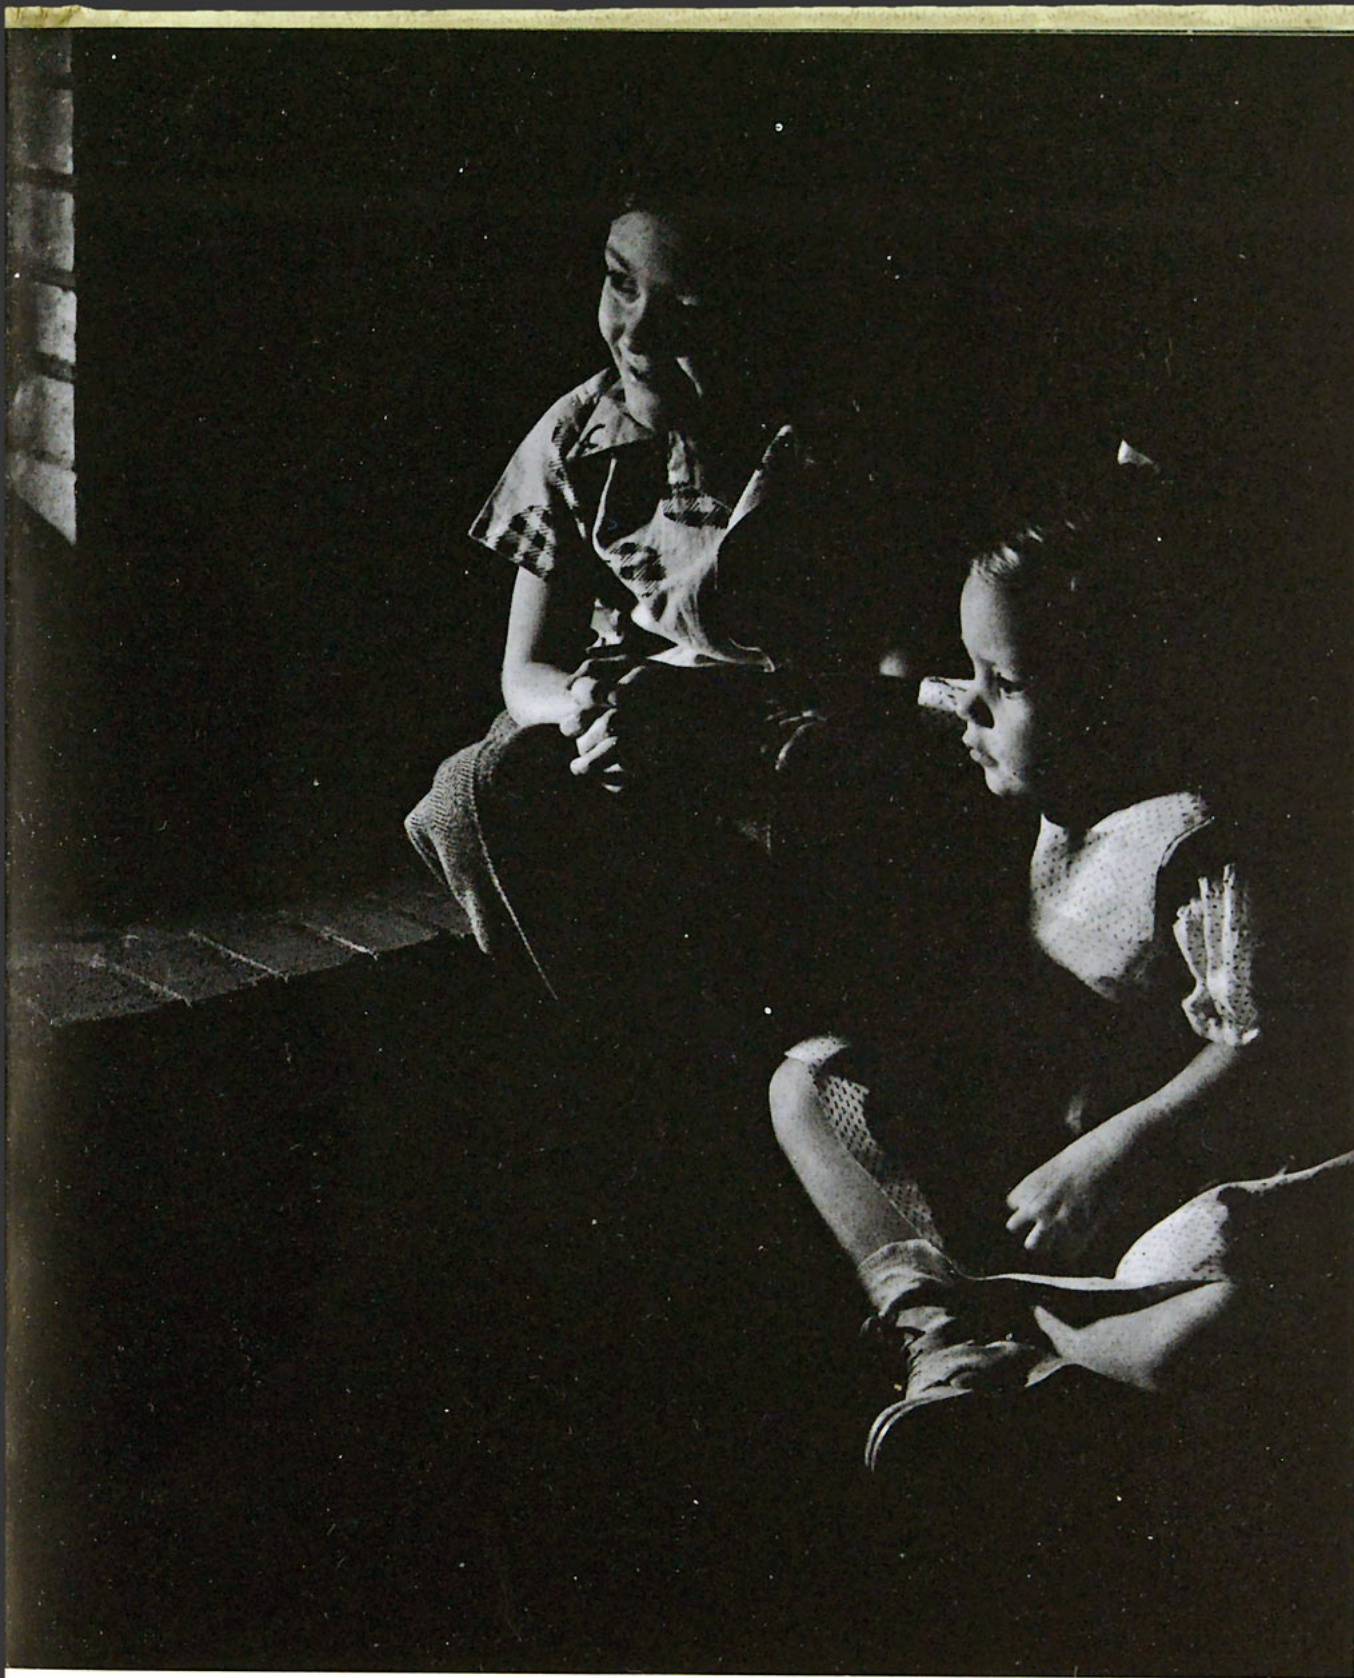

*And thought how, as the day had come,  
The belfries of all Christendom  
Had rolled along  
The unbroken song  
Of peace on earth, good will to men!*

*And in despair I bowed my head;  
'There is no peace on earth,' I said;  
'For hate is strong,  
And mocks the song  
Of peace on earth, good will to men!'*

*Then pealed the bells more loud and deep:  
'God is not dead; nor doth He sleep!  
The Wrong shall fail,  
The Right prevail,  
With peace on earth, good will to men!'*

Henry Wadsworth Longfellow

## A Cappella Choir

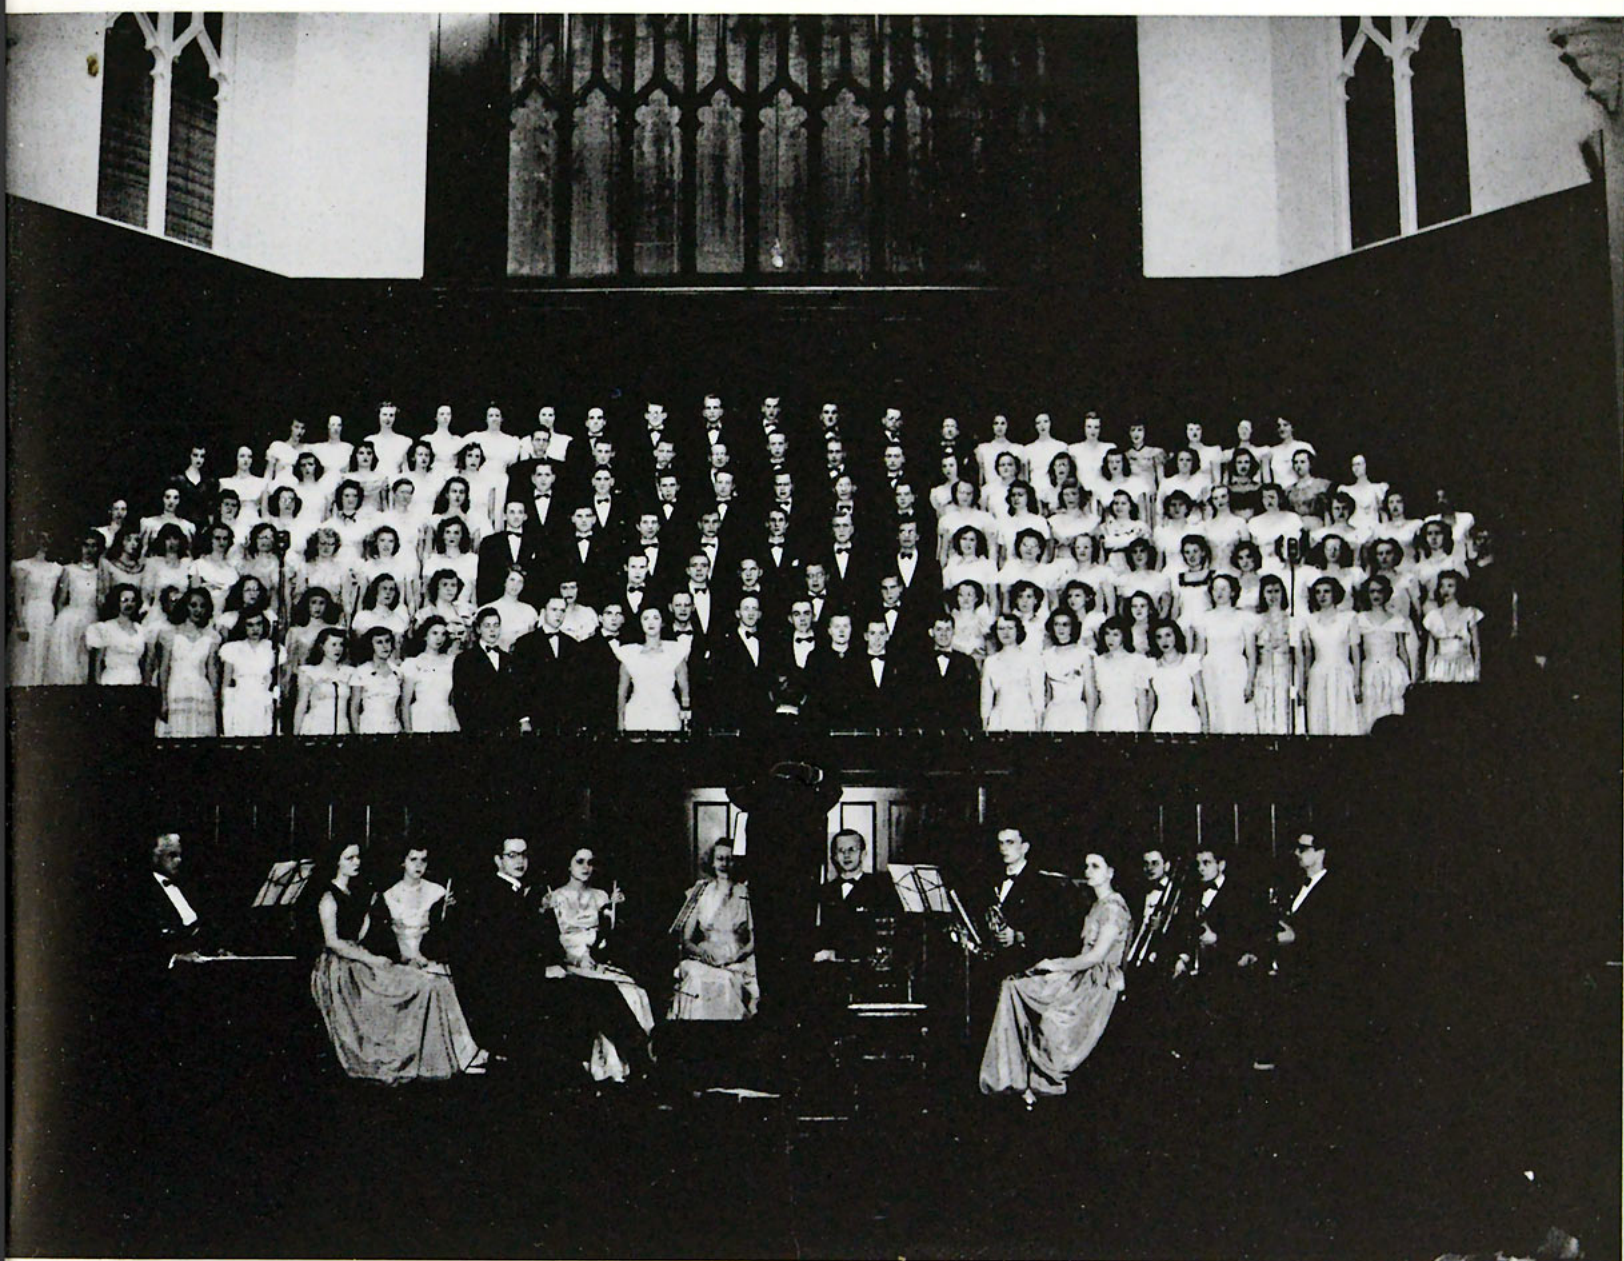

CHOIR OFFICERS: Clifford Lee, President; Les Sapsford, Vice President; Penny Bjorklund, Treasurer; Mary Caribides, Robe Chairman; Lynn Bulla and Roland Halberg, Social Chairmen.

The A Cappella Choir, under the direction of Professor William Bernsten, numbers 80 voices chosen on a competitive basis from the entire student body. Membership in the Choir is dependent upon superior scholarship, outstanding Christian character, and genuine musicianship. A two-fold objective is maintained: first, to sing the Gospel story to thrill hearts; and second, to develop an appreciation for the best in sacred choral music.

Along with the presentation of their Annual Christmas Concerts in Memorial Auditorium, the Choir looks forward each year to an extensive tour made through various parts of the country. This year they toured the Northwest, from April 1 to 23, making appearances in Sheridan and Cheyenne, Wyoming; Billings and Bozeman, Montana; Spokane, Seattle, and Tacoma, Washington; Salem, Eugene, Portland, and Ontario, Oregon; Denver, Ft. Collins, and Colorado Springs, Colorado; Lincoln and Omaha, Neb.

## Oratorio Choir

Under the direction of Professor Ruben Johnson, the Oratorio choir presents an outstanding musical performance. The choir which is made up of two hundred members presented both the "Messiah" and the "Elijah" during the school year.

Officers for the choir included:

Omar Barocio, President;  
Bud Johnson, Vice President-Librarian;  
Marcelline McClellan, Secretary-Treasurer.

Northwestern's International Club represents twenty-eight foreign students from fourteen countries. Officers of the club are Leslie Edgell, President, Myra Wang, Secretary, and Henri Perron, Treasurer.

## Prayer Band

Missionaries and Christian workers throughout the world are the object of prayers when the Northwestern Student Body unites in prayer before the school day begins. Prayer groups meet separately to pray for the countries to which God has called them or for which they feel a particular burden. The spiritual life of the school is strengthened as well as the mission fields being subjects of intercession as these students pray for God's blessing each day.

## *A New Year*

*I know not what awaiteth me  
As dawns another year,  
The path untrod I cannot see  
Yet knows my heart no fear.*

*Though dark the path may be, or light  
A smooth or rugged way.  
I ever shall be led aright  
While I for guidance pray.*

*I know not whether short or long  
My pilgrimage may be.  
I'll daily praise my Lord in song  
For all His love to me.*

*And as the years shall onward roll  
And day by day be mine,  
I'll seek to lead some precious soul,  
To Christ, the way divine.*

*My God shall be my strength and stay  
While sojourning here below,  
He will supply my need alway  
His word assures me so.*

*With joy I greet the opening year  
It cannot bring me ill,  
Since Christ, my Lord, is ever near,  
My soul with peace to fill.*

Clifford Lewis

# January

*"Search me . . . try me . . . and lead me in the way everlasting."*

Psalm 139:23-24

## Missionary Conference

The third annual Missionary Conference met the last week in January during the five days between semesters. The conference was dedicated to the challenge of missions. Under the leadership of Dr. Harry Stam, head of the Missions department, and with the able assistance of the Foreign Missions Fellowship group, the conference accomplished tremendous things for the kingdom of God.

Principal speakers for the conference were Mrs. Ruth Stull, Dr. Robert Cook, Dr. Oswald Smith, Dr. Clyde Taylor, Dr. R. R. Brown and Rev. David Johnson. The days were full, with three sessions being held each day. Each evening preceding the message moving pictures of the most crucial mission fields were shown.

Displays representing the work of the various mission boards and the lands in which they serve were set up in Moyer gymnasium. Twenty-five mission boards were represented at the conference in these displays and by forty missionaries and missionary candidates. Many of the students of the schools who were interested in the work of these boards and the lands represented took advantage of the opportunities afforded them to arrange for interviews with the missionaries returned from these fields.

Each year the conference is a high light in the life of the student body of Northwestern. Missionary activity is brought home to the hearts of the students who will be serving actively on the fields or prayerfully in their home land.

## *Missionary Medicine Graduates*

Our class motto, "Missionary Medicine—a Wedge for the Gospel," describes the specific purpose of our studying the practical angles of medicine. We realize our limitations in the undertaking of medical work, but what we have learned will be useful in His service as missionaries. We recognize the value of this type of work in the bearing of precious fruit for Christ, so it is our aim to utilize the training for this purpose.

The Lord has definitely called some of us to certain fields of service, and some have been accepted by boards with some support and potential sailing dates; others are still seeking God's will. Where and whenever God thrusts us out into the fields, "white unto harvest," we are ready. Your prayers are requested for His direction in our lives.

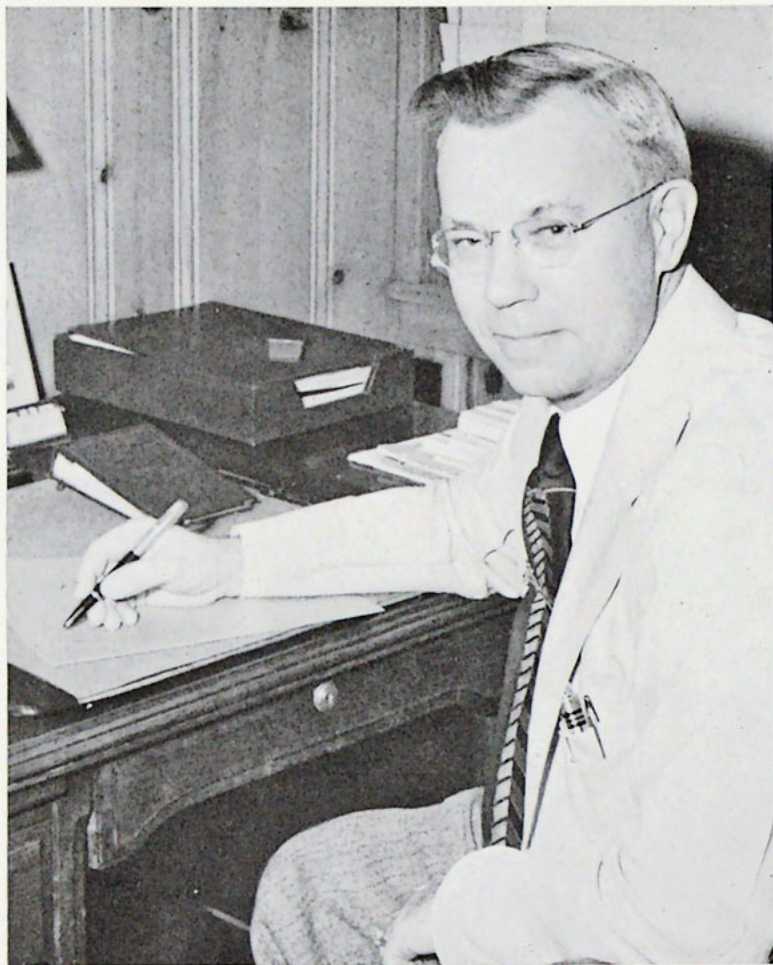

## *Missionary Medicine*

Mitchell Hall houses the Department of Missionary Medicine and the school infirmary where the students receive some of their practical experience. Many classes are spent in practical training through the teaching and supervision of local doctors. This experience will be greatly valued in our ministry on the mission field, a way into the hearts of those without Christ.

DR. A. C. ALING

## *Doctors*

Dr. A. C. Aling, Minneapolis physician and surgeon, is the director of the Department of Missionary Medicine. A graduate of the University of Minnesota with special post graduate work in the field of surgery, Dr. Aling along with Mrs. W. B. Riley envisioned such a department for the Northwestern Schools. Between the years 1942 and 1945, Dr. Aling served as one of the head surgeons in an evacuation hospital in Europe. After his discharge from the service, Dr. Aling returned to Minneapolis to practice medicine and to continue his work with the schools. At the present time he is secretary and treasurer of the Hennepin County Medical Association.

One of the early Scrolls records one course offering in Medical Lectures—a two hour course for one term. The description of the class reads as follows: "This course acquaints the student with the simple, practical principles of caring for the sick, also the prevention and treatment of common diseases. Instruction is given in nursing, first aid, hygiene and sanitation. The principles taught are, as far as possible, applicable to the varying situations which a missionary meets."

Course offerings now include twenty-three different courses. In addition to the doctors pictured, the staff includes: Marilyn Rogers, supervisor, Ardis Wilson, Agnes John, Dr. Ruth Lundberg, and Dr. Glenn Tuttle.

And still go on. If but the way be straight  
I cannot go amiss! Before me lies  
Dawn and the DAY! The Night behind me; that  
Suffices me: I break the bounds: I see,  
And nothing more; believe, and nothing less.  
My future is not one of my concerns.*

## **Ready**

*I would be ready, Lord,  
My house in order set,  
None of the work thou gavest me  
To do unfinished yet.*

*I would be watching, Lord,  
With lamp well trimmed and clear,  
Quick to throw open wide the door,  
What time Thou drawest near.*

*I would be waiting, Lord,  
Because I cannot know  
If in the night or morning watch  
I may be called to go.*

*I would be waking, Lord,  
Each DAY, each hour for Thee;  
Assured that thus I wait Thee well,  
Whene'er Thy coming be.*

*I would be living, Lord,  
As ever in Thine eye;  
For whoso lives the nearest Thee  
The fittest is to die.*

Margaret J. Preston

# March

*That thine eyes may be open upon this house day and night,  
upon the place whereof thou hast said that thou wouldest put thy  
name there; . . . II Chronicles 6:20*

## *Chapel Speakers*

Students at Northwestern have the opportunity to hear many fine speakers during the chapel hours. We are grateful for each one that the Lord has enabled us to hear. Our own vice-president, T. W. Wilson, chats with Dr. Fred Jordan of California in the top left picture. Top center is Rev. George Ziemer of the Wisconsin Tabernacle in Milwaukee and then is Dr. S. Franklin Logsdon of London, Ontario. Below are two of the speakers we were privileged to hear during the school year—Dr. John R. Rice and Dr. William Byus. All chapel services were broadcast and Dr. Oswald Smith of Toronto, Canada, is before a KTIS microphone as he addresses the students.

## **Summum Bonum**

*For radiant health I praise not when I pray,  
Nor for routine of toil well-pleasing every way  
Though these gifts, Lord, more priceless grow each day.*

*Not for congenial comrades, garnered store  
Of worldly wealth, for vision that sees o'er  
Such sordid mass, mind's plumed eagles soar.*

*Not even, Lord, for love that eases stress  
Of storm, contention, hopes unconquerableness,  
Nor faith's abiding peace, nor works that bless.*

*But this, dear Lord, stir inner depths divine,  
That Day by Day, though slowly! line on line  
My will beings—begins—to merge in Thine.*

Charles L. Story

# April

*There is a river, the streams whereof shall make glad the city of God, the holy place of the tabernacles of the most High.*

Psalm 46:4

## *A Cappella Tour Times . . .*

Day of departure, broadcasting the last-minute "good byes," "be goods," "come backs," and advices.

We four in Rochester—Mary Pyche, Lorryne Edberg, Betty Krause, and Penny Bjorklund.

Stan Franklin and Bob Lillard, bag and baggage crew, hard at work.

Nancy Boyer and Lynne Bulla pose as Arnold Rocholl looks the situation over.

And then there is time for everything including football. Les Sapsford centers the ball to "Hat" Heppner.

### *... And Tidbits*

It could be a quartet and soloist or else Ruthetta is just popular.  
 Ted Lepper gets wound up for the next performance.  
 Stan Franklin, Kenneth Pace, and Roland Halberg—a trio of tenors.

Just ask Darlene and Lenore if the choir tour isn't a thrill.

"Could you please show us to the Y.M.C.A.?"

"We want to know who Lois wrote to. Could it be Lloyd?"

A Greyhound, the center of attraction.

Psalm 23:6

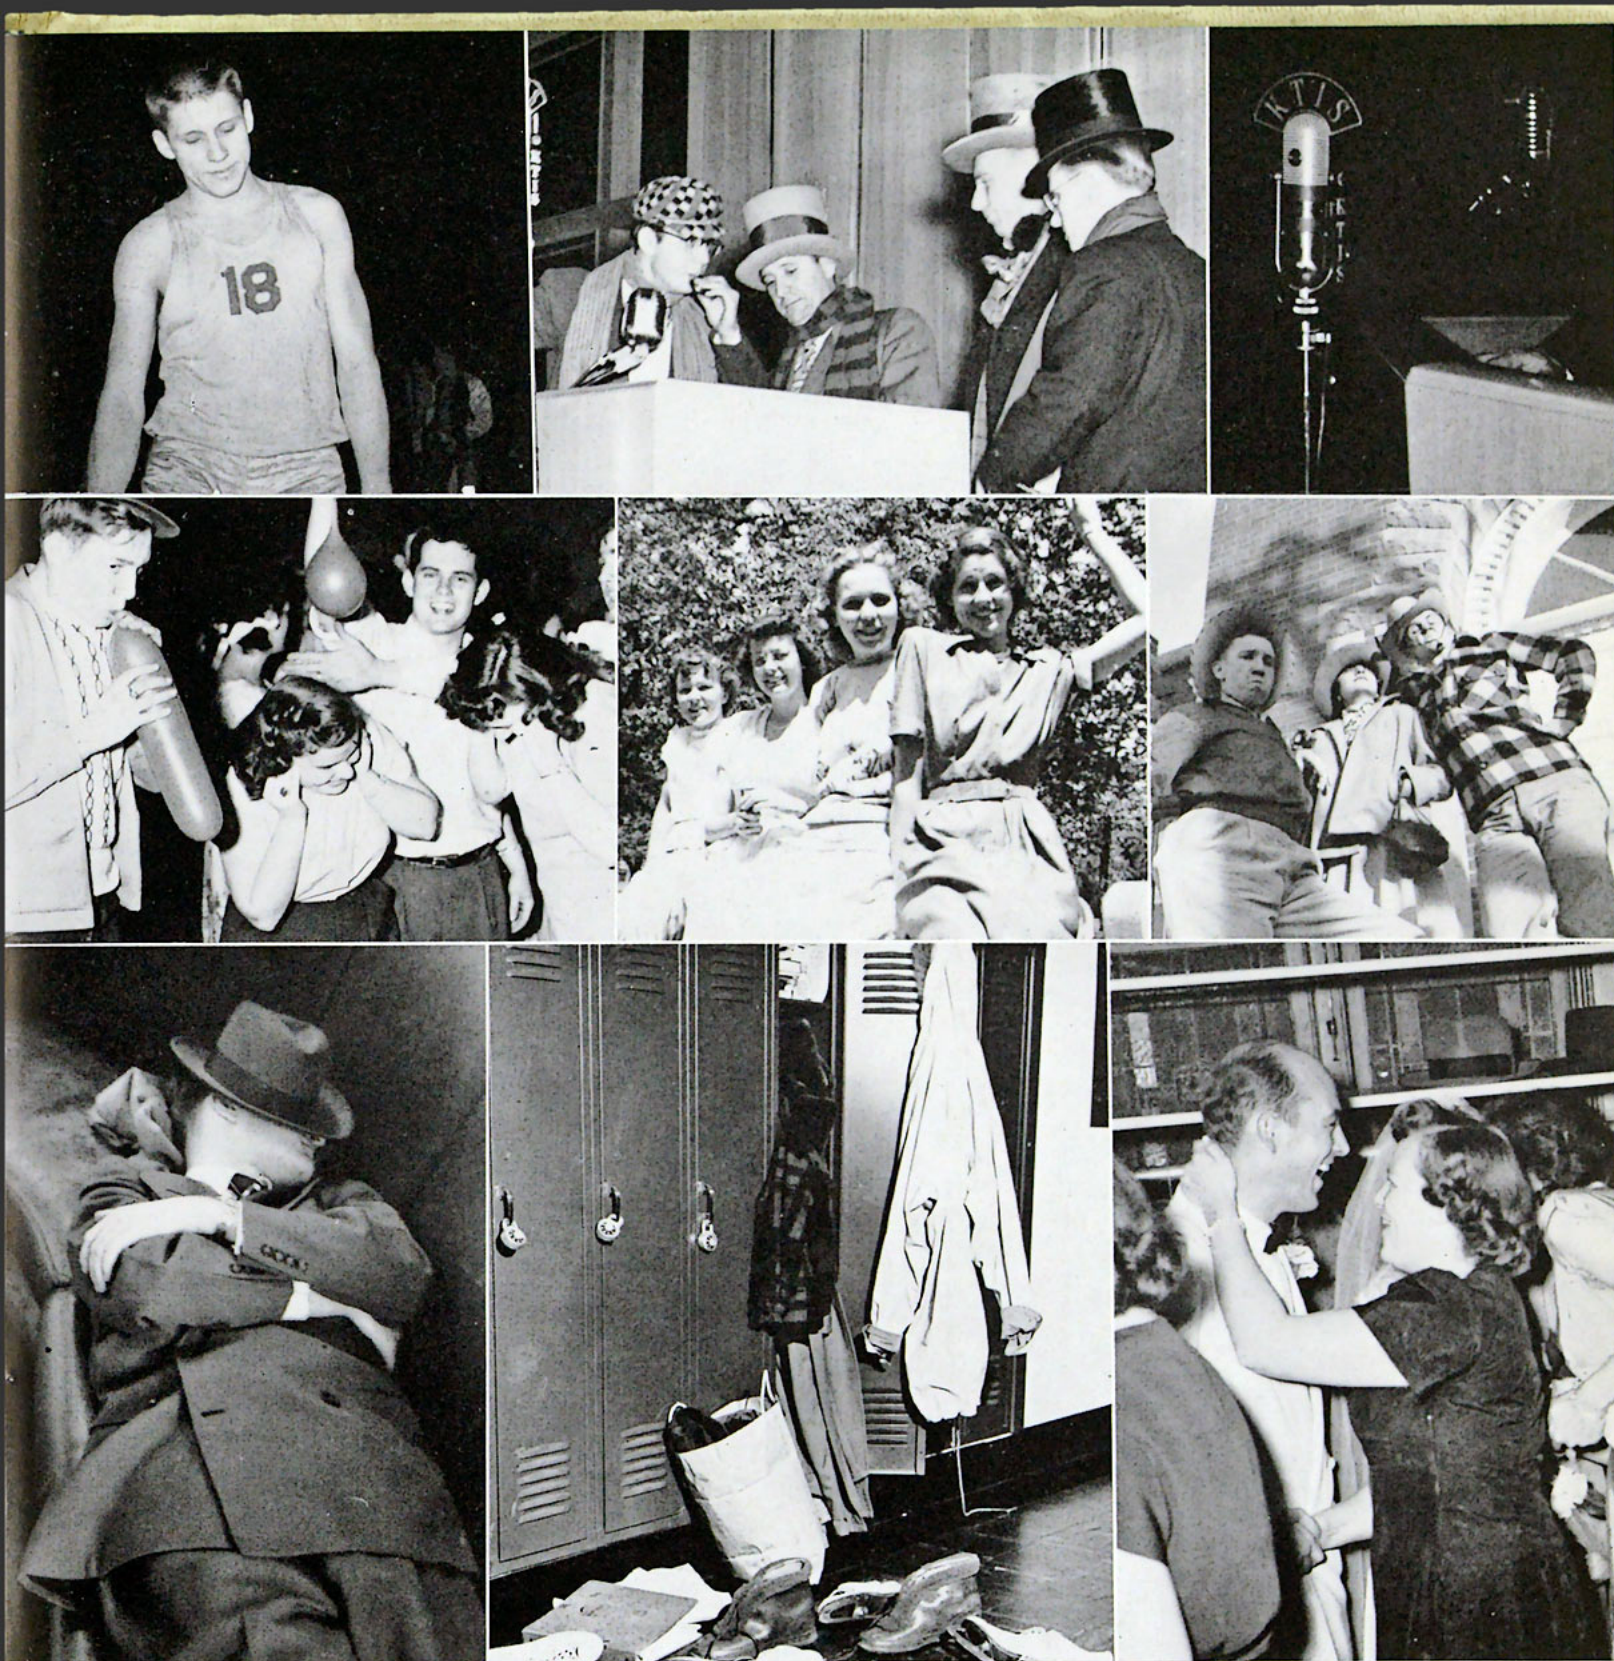

## *Preacher Boy's Club*

The Preacher Boy's Club is one of the latest additions to the organizations of Northwestern School. Organized early in the spring, the club is designed to provide fellowship for student pastors and young men preparing for the ministry as well as to provide a clearing house for ideas, helpful hints and methods of procedure for pastors. Speakers at the meetings included Rev. T. W. Wilson, Rev. Wallace Olson, and Dr. Billy Graham.

## One Day

"I missed" . . . Four Faculty Flats . . . Meet Mr. and Mrs. Mike.  
Party pranksters . . . Anne, Ruth, Jean, Lois . . . Sheridan Lil  
is back.

Our own Dr. Billy Graham . . . Rummage sale . . . Daring Dotty  
does it!

## *School Days*

*Lord, let me make this rule:  
To think of life as school,  
And try my best  
To stand each test,  
And do my work  
And nothing shirk.*

*If weary with my book  
I cast a wistful look  
Where posies grow,  
Oh, let me know  
That flowers within  
Are best to win.*

*These lessons Thou dost give  
To teach me how to live,  
To do, to bear,  
To get and share  
To work and pray  
And trust alway.*

*Some day the bell will sound,  
Some day my heart will bound,  
As with a shout,  
That school is out,  
And, lessons done,  
I homeward run.*

Maltbie D. Babcock

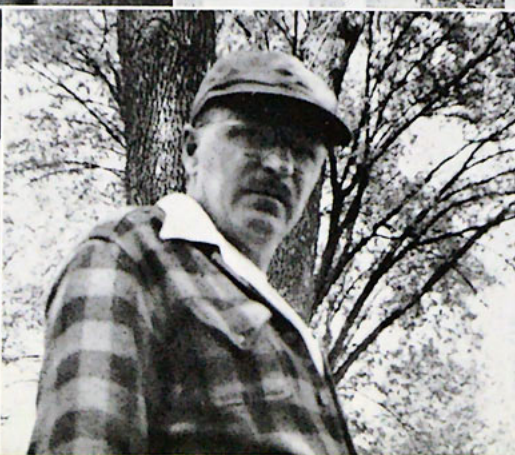

# May

*"Remember now thy Creator in the days of thy youth, while  
the evil days come not . . . ."*      Song of Solomon 12:1

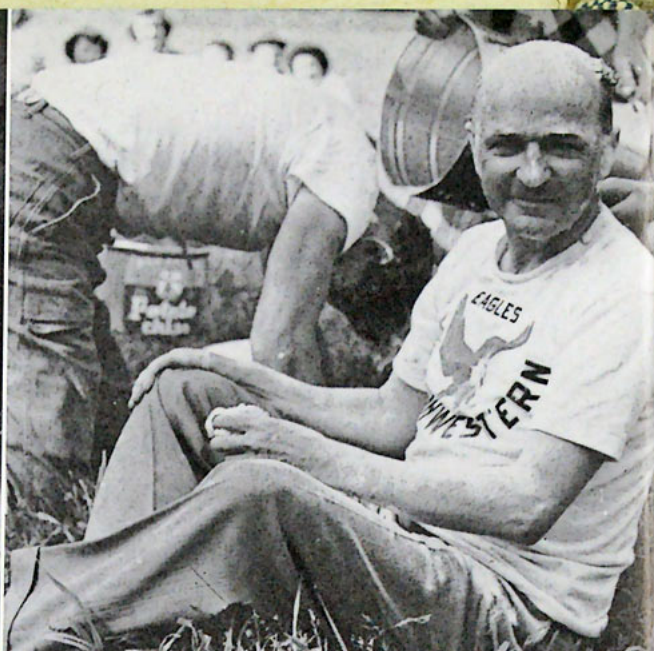

## *Spring Banquet*

Formal attire is donned for the largest and best social affair of the year—the annual spring banquet given in honor of the graduating seniors. The Nicollet Hotel provided the setting for the 1950 banquet which is always a highlight of the social life of the schools.

## *A Day Out . . .*

The annual school picnic is a time for general "cleaning up"—it may come in the field of athletic events or it may center in topmost places. Medicine Lake conference grounds is the scene for this yearly treat. Most inspirational part of the day is voted to be the campfire which closes the day's activities.

## *. . . For Fun and Frolics*

After a day of hard play, students gather for fellowship in the chapel just before time for singing around the campfire. It is a refreshing day spent wholly in God's great out-of-doors.

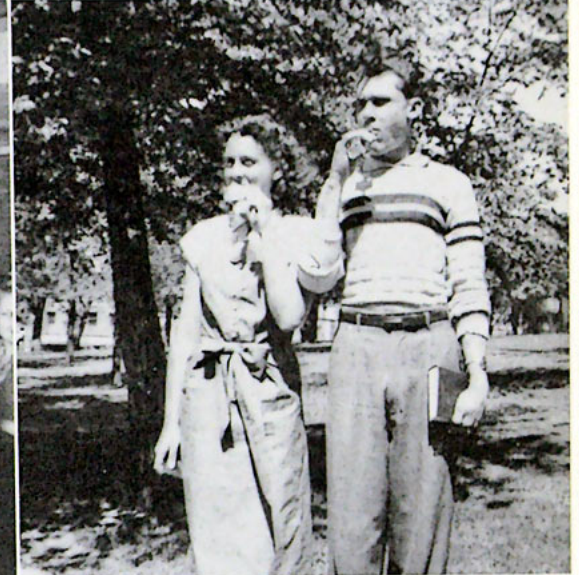

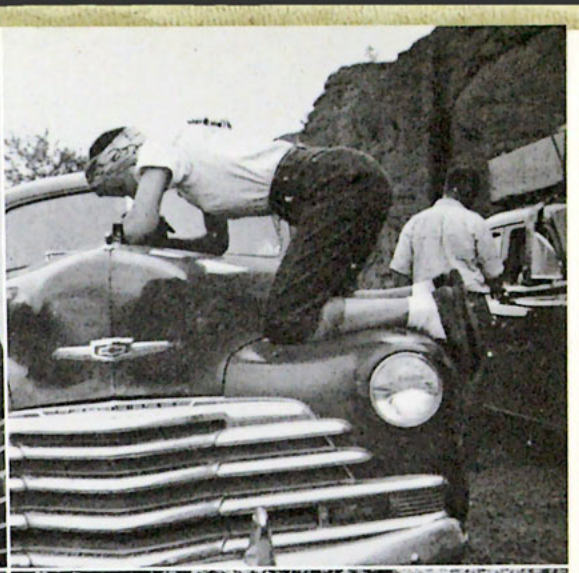

## *We Live . . .*

"Harv" . . . "Harv's wives" . . . Bernstein's bends . . .  
 Re-LA-tives . . . "Cheerio, old soul" . . . Snow snap . . . Johnson  
 Jump . . . Happy hearts . . . Ocean view.

*. . . And Learn*

Earle's Crowing . . . Big joke! . . . Chevy Shot.  
Must be interesting . . . It broke . . . Ginny and Lloyd.  
Brothers? . . . Formally yours . . . Chair chats.

## *Open Air Child Evangelism*

Each Sunday morning the Child Evangelism group of students met at the school to get last minute instructions and preparations for going out over sections of the city to meet and to talk with children and young people. This service is an expression of a deep and sincere desire to have children hear the story of our Lord and Saviour, Jesus Christ. The entire morning was spent in this ministry.

## *Joyous Service*

*It's grand to love the Savior  
And read His Holy Word;  
I thank Him for the quick'ning life  
Within my heart He stirred.*

*It's grand to love the Savior  
And to commune with Him;  
He says, "Win others to me,  
Don't let your light grow dim."*

*It's grand to love the Savior,  
Won't you accept Him too?  
He'll satisfy your longings  
And bring rich gifts to you.*

*It's grand to love the Savior,  
While in this world I stay,  
And know His gracious promise  
To come for me some day.*

Paul Tucker

*I met God in the morning  
When the Day was at its best;  
And His presence came like sunrise  
With a glory in my breast.*

*All day long the Presence lingered,  
All day long He stayed with me;  
And we sailed in perfect calmness  
O'er a very troubled sea.*

*Other ships were blown and battered,  
Other ships were sore distressed,  
But the winds that seemed to drive them,  
Brought to us both peace and rest.*

*Then I thought of other mornings,  
With a keen remorse of mind,  
When I, too, had loosed the moorings,  
With the Presence left behind.*

*So I think I know the secret,  
Learned from many a troubled way;  
You must seek Him in the morning,  
If you want Him through the Day.*

Luke 18:1

## *European Department*

A number of years ago there was a burden on the hearts of Northwesterners to do evangelistic work in Europe, and so it was conceived that missionaries should be trained for the Russian ministry. The Russian Department was formed and Dr. V. Vojta, under the leadership of Dr. W. B. Riley, was appointed dean. Since, however, the European situation has changed so rapidly and there are many people who need to hear the gospel, the European Department was formed to take the place of the Russian Department and it includes French, Spanish, German, and Russian languages. A number of students on the picture are definitely preparing to go to Europe to do mission work among the various peoples. Today we have four teachers and over one hundred students in the language department. These teachers include: Miss Shirley Johnson, instructor in Spanish and French, Miss Violet Munter, instructor in German, Mr. Max Eisenbraun, instructor in Russian and Dr. Vojta.

## Foreign Missions Fellowship

The Fellowship provides an outlet for students interested in and preparing for service in foreign fields. This active group was responsible for a weekly publication entitled "Vision." Dr. Harry Stam, faculty advisor, gives counsel and encouragement to members of the Fellowship; Henry Hazelton edited the weekly publication; President Roy Irving was the spark which caused the sign in the picture upper right to be true; Waldrom Scott lends an interested ear and helping hand to Harriet Tenhoff in the office work while Roberta Spurlin checks the files with Mae Koksma, efficient Foreign Missions Fellowship Secretary.

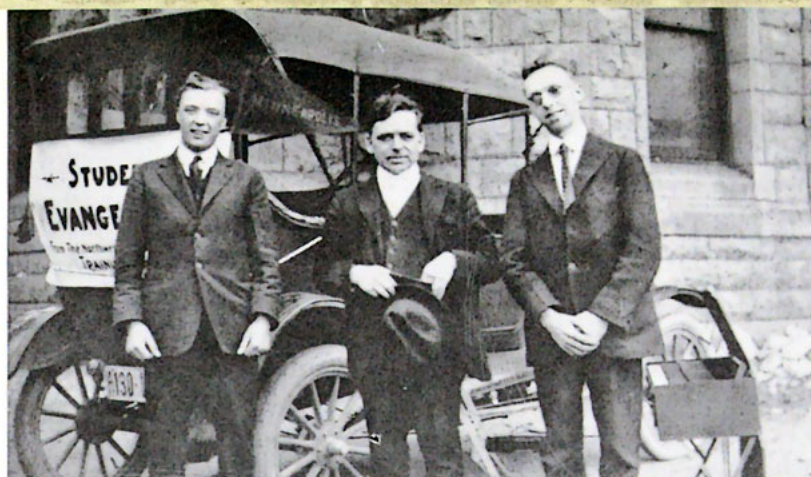

## Practical Work

The highways . . . the by-ways . . . the hedges . . . this summer two hundred eighty-five Northwestern students spent all or part of their summer in teaching and directing vacation Bible schools. Geographically, they invaded the sections of the United States west through Montana and Colorado, east to Delaware, south through the Ozarks and Arkansas and north to the Canadian border.

Northwestern's Daily Vacation Bible School program started many years ago in the hearts of three young men and was known as Student Evangelism. It has been used mightily of the Lord to bring the gospel to many all over the country.

## *On To The Goal*

*"On to the goal! Press on!  
Alone, yet unafraid;  
He cut the path who beckons thee,  
On then, and undismayed.*

*On to the goal! Press on!  
The Eyes that are a flame  
Are watching thee, what then are men  
What matter praise or blame?*

*On to the goal! Press on!  
Look not behind thee now,  
When just ahead lies His 'Well done,'  
And crowns await thy brow.*

*On to the goal! Press on!  
Blind, deaf, and sometimes dumb,  
Along the uphill, blood-marked road,  
Hard after Christ, press on!"*

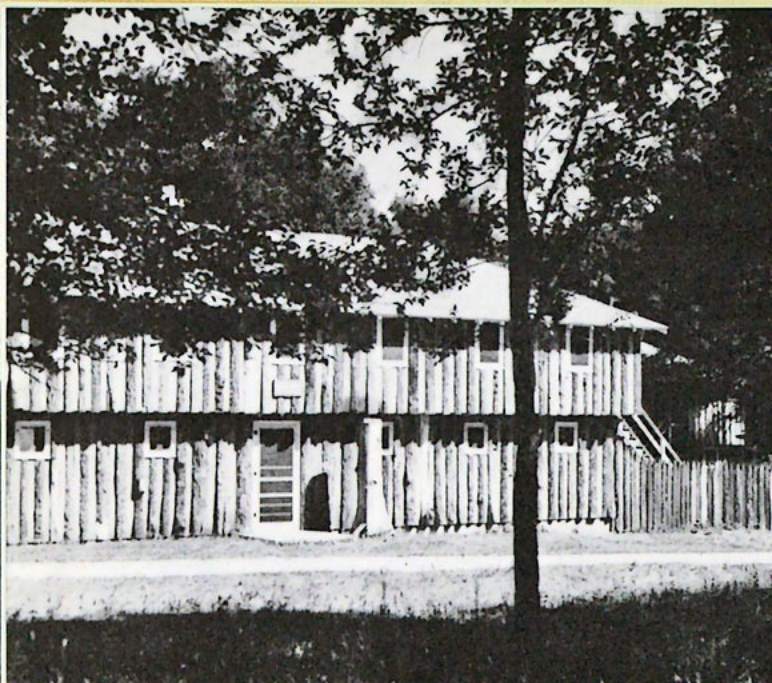

# August

*"I press toward the mark for the prize of the high calling of  
God in Christ Jesus."*

Philippians 3:14

## *Northwestern Conference*

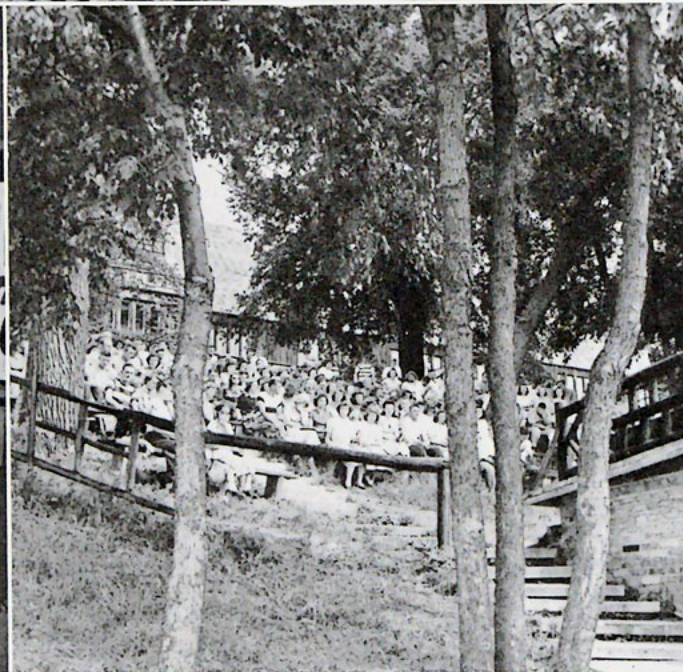

The buildings, dormitories and meeting houses as well have been planned and designed by Dr. William Paul who directs the Mission Farms activities. There are rustic bridges, fort-styled dormitories, igloos and tepees, dotting the grounds providing beauty and comfort for the campers. Shaded walks beside the lake, convenient tables and benches for picnickers, and a new lunch stand all add to the interest and enjoyment of days spent in communion with nature and with nature's God.

Young people attending the Medicine Lake Conference find hours of relaxation and opportunities for fellowship. Dr. Graham and Beverly Shea enjoy a conference with some of the young people. T. W. Wilson, Cliff Barrows, and Merve Rosell put on their best smiles for the cameraman. Dr. John Siemens and Dr. Graham confer as T. W. Wilson and an unidentified on-looker listen attentively. A new lunch stand outside the door of the tabernacle seems to beckon some to refreshments.

Outstanding speakers from the world over are brought to the conference at Medicine Lake each year to bring messages to those who attend the camp. Dr. Graham converses with Dr. Harry Ironside, former pastor of Moody Church in Chicago and well-known conference speaker on the steps of Youth Chapel. A typical audience is pictured as they listen attentively to the message being presented from the Word of God. Dean J. Edwin Hartill, always a conference favorite, enjoys fellowship with Northwestern students who gather at the front of the tabernacle after each meeting. The hillside service at the vesper hour is always an inspirational part of the day.
